

## **Luis Ignacio Parada**

Luis Ignacio Parada is EU Energy Policy & Regulation Director at Enagás, the main gas transmission, LNG and gas storage operator in Spain. He has 25 years of experience in the energy sector, where he has specialised in energy economics, gas and hydrogen sector regulation and energy policy.

Before joining Enagás, Luis started his career in 1998 at Gas Natural, and worked in NERA Economic Consulting from 2001 to 2004.

Since May 2023 he serves as Board member in ENTSOG, in GIE (Gas Infrastructure Europe) and as Executive Committee in GLE (Gas LNG Europe). He is also engaged as Board member in EASEE-gas since March 2019, and was a member of the Executive Committee of GTE (Gas Transmission Europe) from December 2020 to May 2023.

Luis Ignacio holds an Executive MBA from IESE Business School and a MSc. in Applied Economics. He graduated in Economics at Universidad de Salamanca (Spain).
