

## **Ina Lehto, Executive Senior Advisor Finnish Energy (FI) & GEODE Deputy Chairwoman**

Finnish Energy is an industry association representing companies that produce, acquire, transmit and sell electricity, gas, district heat and district cooling and offer related services in Finland. Ina Lehto has worked at Finnish Energy over 15 years with a large variety of DSO topics. Currently as an executive senior adviser she focuses on the important role of the grids in energy transition and how should legislation and revenue regulation evolve to support the needed pace of network development to benefit the whole society. Ina Lehto is also one of the deputy chairpersons of Geode.
